# Homework 5: 3D Reconstruction
Ruiqi Wang

- Epipolar Lines:

Select a point in this image

Verify that the corresponding point is on the epipolar line in this image

- Points on epipolar lines:

Select a point in this image

Verify that the corresponding point is on the epipolar line in this image

- Final Reconstructions:

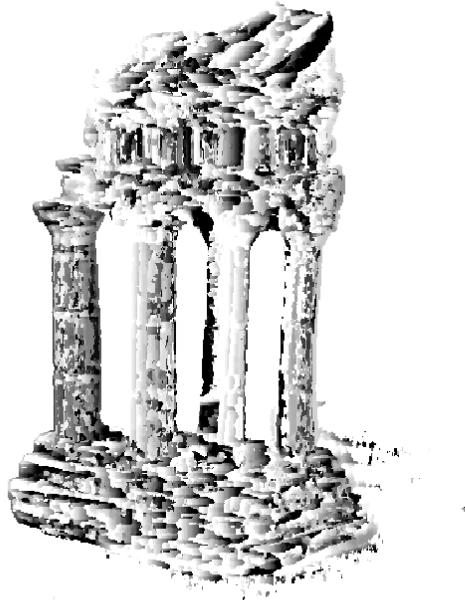

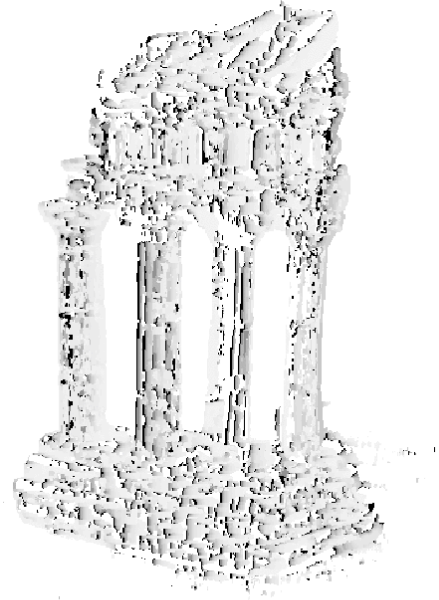

- Test_rectify

- Disparity and depth

Disparity Image   Depth Image

- Extra Credit:
